

## Mentorship

# MENTENDA MENTORSHIP GRADUATION.

In September 2022, Cummins C&G set out on a partnership with KCDF to mentor the boy-child. The appointed school being Ofafa Jericho High School; a boy's school in Nairobi's Eastland's area. 12 Cummins C&G men volunteers responded to a call to give their time to nurture and mentor boys between the ages 14-25 years to become confident and responsible men while unlocking their potential to become leaders in their spaces of influence.

The Boy mentorship program that targeted form 2 students at the school, run a span of 10 months. 350 boys went through the mentorship program, forming a protected relationship with their mentors. All the 350 boys graduated on Saturday 27th May. Only 7 Mentors stayed to see the mentorship program through to the end.

Congratulations to the mentees and mentors on their graduation.
