# GRADUATION OF GIRL MENTEES AT OUR LADY OF MERCY.

The girls Mentorship program at Our Lady of Mercy in South-B for saw 170 students from the institution graduate on Saturday 15<sup>th</sup> April, 2023. This graduation was made possible by the commitment to mentorship by ladies from Cummins C&G and Car & General. The graduation follows a 1 year connection and interaction between mentors and mentees. This is the second class graduating under the guidance of the C&G ladies.

The Mentorship at OLM allows the girls a safe haven to channel out the various challenges that they experience in their day to day. The Mentors, under the guidance from KCDF are the able to openly share their knowledge and experiences about the various situations the mentees find themselves in. This sharing guides the girls to make informed choices about their own lives.
