

CSR

LIONS CLUB OF NAIROBI CARGEN TREE PLANTING IN KISII.

On 7th July, Lions Club of Nairobi Cargen set out to Kisii Vocational Rehabilitation Center; a government owned institutions that caters to boys and girls afflicted by various physical and mental issues.

We had the support of the Equity Group foundation Environmental group, who donated 500 trees to us for the Kisii initiative.

Together with teachers and students from the institution, we planted 300 trees within the institution. We also donated 200 trees to PAG church in Kisii Town to be planted within the church compound and surrounding community.

Tamara Asonga
Public Relations Executive.

Our Vision

Make customers smile in every street, every town

Our Mission

To achieve leadership position in all our primary markets - power generation, automotive and engine-related products in East Africa.
