

Corporate Social Responsibility

C&G KITALE CSR ACTIVITY.

It was a day of joyful engagement at the Kitala Prison Annex when the Car & General Kitala team visited. There was song and dance, football, volleyball, sharing of food and drink and to crown it all a celebration of birthdays for all September born from both Kitala Prison Annex and Car & General Kitala.

The Car & General team donated a sewing machine, toiletries, snacks and soft drinks. The prisoners were elated to interact with the Car and General team; enjoying some reprieve from the normalcy that is prison life. For the September birthday celebrants, it was a great reminder of the quality of life as they were made feel special on the day.
