## C&G DONATES MOTORCYCLE ENGINES.

Car & General donated motorcycle engines to Busia Township Technical Training Institute and Butere County Polytechnic in Western Kenya.

The engines will be used for training motor vehicle engineering students in the institutions. Car & General is committed to supporting technical training in Kenya. We have signed an MOU with Technical and Vocational Education Authority that aims at aligning technical Education and industry synergy.

Car & General also launched the Cargen Tech-Up Program that intends to train over 3000 two wheeler and three wheeler juakali mechanics in Kenya.

### Our Vision

Make customers smile in every street, every town

### Our Mission

To achieve leadership position in all our primary markets - power generation, automotive and engine-related products in East Africa.
